WORKING HORSE CHALLENGE ..... Ren Letts & Shannon Mathews

2 EXPO GYMKHANA & TEAM HUNT ..... Jenny Smith & Harriet Heathcote

# Chairman's welcome

It gives me great pleasure to welcome competitors, parents, team managers and visiting judges and officials to the 2025 North West Equestrian Expo. Our Committee and Head Stewards have worked hard to present another challenging multi-disciplined event for High School riders. We can all look forward to five days of fierce competition, early starts, possible frost, almost certainly rain, where riders from all over the state can share their passion for equestrian pursuits.

This year we recognised the contribution of James Forbes and Ren Letts to Expo over many years with Life Membership. James has been involved with the Expo since its inception in 1992 in many roles. He is probably best known to our current competitors as the Head Steward for the Team Barrel Race but he is always busy in his quiet unassuming manner assisting with the cross country, Working Horse Challenge and Warrumbungles Way.

Ren was a competitor herself at the early Expos and one of her mounts Salmondæ "Mackie" in a twist of fate is recognised in the Team Eventing Trophy. Ren is still actively competing in eventing, stockman's challenges and showjumping but during Expo she runs the very popular Working Horse Challenge. Congratulations to both Ren and James on your outstanding contribution to our event.

On a sadder note, Robert Cox, one of Rotary's greatest workers and supporter of Expo died in January. He made a significant contribution to the wider Coonabarabran community and I know he will be greatly missed by the team at Rotary.

Expo is very fortunate to have the support of many local community groups, and in

turn we are able to support these groups throughout the year. Expo provides a major fundraising platform for Rotary, while the RDA is able to hire out their hall and receive full hire fees for all stables at their venue. We have developed an excellent relationship with the Coonabarabran Jockey Club, hosting many events on their ground and a large number of schools electing to camp on their site using their excellent facilities. Expo is pleased to sponsor a race at their Coona Cup Meeting in October an example of groups working together for a mutually beneficial outcome.

Eventers will notice a significant upgrade to the cross country course with both start and finish moved onto the course proper. This improvement was driven by the Warrumbungle Eventing Club in consultation with Eventing NSW and the Showground Land Managers and funded in part by Expo. The cross country course requires a huge amount of work and funds to keep it up to the safety standards required by Eventing NSW and as a committee we are pleased to be able to support this project that can be used by the Pony Club and visiting instructors for clinics.

You will observe over the next few days as prize winners are awarded the beautiful Expo Trophy woollen rugs that we are very well supported by local businesses. Many of these businesses including The Coona Bakery and Roaches Hardware have sponsored at every Expo. I hope you are able to visit these shops, cafes and restaurants during your visit.

In addition to our local sponsors, we are lucky to have Furneys Stock Feeds as our

*(Continued on page 4)*

*(Continued from page 3)*

feed sponsor. Every competitor will receive a voucher for a free bag of feed. Grants Sawmill Baradine has donated all the sawdust that is available for free for all competitors. Graincorp has generously lent us generators and River Road Transport truck the cattle for Team Penning free of charge. We are grateful to all our sponsors and those who provide this in kind support.

This incorporated body, North West Equestrian Expo was formed in November 2007 and ran its first Expo in 2008. Since its formation Expo has weathered the fallout from Equine Influenza, bushfires, drought, floods and covid. In January 2013 in the wake of the fires around Coonabarabran we were

one of the first major donors to The Mayor's Recovery Fund, we provided half priced entry to drought impacted riders in 2016 and in a true Australian way the following year half priced entry to flood affected riders. We have always supported our community and contributed to many of the improvements on the Showground and projects at the High School and latterly WAR FM our local radio station. We are able to continue to make these contributions to our community because of the constant support we receive from schools throughout the state. For that support we thank you.

Good Luck to all our riders over the next five days and "Let the Games Begin!"

*Kevin Sharp*

SUPPORTING  
LOCAL FARMERS

SUPPLEMENTS &  
STOCK FEEDS

NUTRITIONALLY  
BALANCED

AUSTRALIA'S  
OLDEST FEED MILL

- Our products are based on the natural goodness of Australian wholegrains, including oats, barley, corn, sunflower, cottonseed meal, lupins and a range of other materials.
- Our products are suitable for all stock feed needs, with carefully selected ingredients sourced from local farmers in the district.
- We pride ourselves on our block range, with a wide selection of dry season blocks, mineral blocks, green feed blocks and custom-made blocks. All blocks are hard-pressed, making them cost effective and long lasting.

# NEW SOUTH WALES POLOCROSSE

**"King of the one horse sport"**

Polocrosse is an action-packed, team sport often referred to as Rugby on horseback. It is a family orientated sport with grades to cater for all levels of ability from the novice through to highly experienced and competitive riders. Polocrosse is unique in that it is a sport in which the whole family can play at the one event, often in the same team.
